

CO-MINGLE RECYCLE
Everything goes in together- no sorting!

Aluminum, Tin or Steel Cans: Pet food cans, coffee containers, canned veggie, etc. These are accepted crushed or not.
*No foils or food trays.

Plastics: #1, #2, #3, #4, #5, #6, #7

Acceptable Plastics

- Any container stamped #1-7 (except those listed under Unacceptable Plastics below)
- Wide-mouth containers (e.g. butter and cottage cheese tubs)
- Yogurt containers
- Clear clamshells (like deli/bakery sandwich or cookie containers)
- Personal care/prescription bottles
- Pails
- Flower and garden pots
- Nalgene bottles

Unacceptable Plastics

- Frozen entree microwave trays
- Shrink wrap or Saran wrap
- Plastic bags
- Food trays or party platters even if stamped with #1-7 (the main issue here is food contamination, if these items are 100% clean then they should be okay)
- Automotive chemical containers, including motor oil and antifreeze bottles
- Pesticide containers
- Styrofoam containers
- Compostable bottles or cups marked “compostable”

Glass: Bottles & Jars of any color. Remove lids and toss those in too!
