PRE-ANNEXATION AGREEMENT

THIS PRE-ANNEXATION AGREEMENT (this “**Agreement**”) is made and entered into this ___ day of _____, 2016 (the “**Effective Date**”), by and between the **TOWN OF CRESTED BUTTE, COLORADO** (the “**Town**”), a Colorado home rule municipality and **CYPRESS FOOTHILLS, LP** (“**Applicant**”), a Texas limited partnership.

RECITALS:

A. At the Town Council’s January 11, 2016 Town Council meeting, the Town Council considered an application (the “**Application**”) from Applicant requesting that Applicant be given the right and approval to connect its real property, approximately 44.5 acres in size, as legally described in **Exhibit A** attached hereto (the “**Subject Property**”) to the Town’s sewer system pursuant to §13-1-280 of the Crested Butte Municipal Code (the “**Code**”).

B. Section 13-1-280 of the Code authorizes the Town to provide sewer services outside of the Town’s municipal boundaries in certain circumstances; the Subject Property is located within the Town’s Waste Water Service Area; and an Intergovernmental Agreement Regarding the Upper East River Valley Areawide 201 Facilities Plan to which the Town is a party contemplates that the Town may provide sewer services to properties within its Waste Water Service Area.

C. As part of the Application, Applicant has agreed, in exchange for the right and approval to connect the Subject Property to the Town’s sewer system, to convey title to part of the Subject Property to the Town, subject to certain requirements and conditions, along with Applicant’s performance of certain other obligations hereunder.

D. During said Town Council meeting, the Town Council received and considered a Town Staff Report addressing the Application, as well as comment from the public on the Application.

E. Following presentation of the Application by Applicant, Town Staff’s presentation and the Town Council’s receipt of comments from the public, the Town Council considered the Application and moved to instruct the Town Staff and Town Attorney to prepare a pre-annexation agreement reflecting Applicant’s Application and including therein such other terms and condition as are deemed necessary and advisable.

F. The Town and Applicant now desire to memorialize the terms and conditions respecting the Application, the conveyance of title to part of the Subject Property to the Town, the requirements and conditions in connection with such conveyance, and Applicant’s performance of certain other obligations in this Agreement pursuant to §13-1-280 of the Code.

AGREEMENT:

NOW, THEREFORE, for and in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Town and Applicant agree as follows:

1. **Purpose.** The purpose of this Agreement is to set forth certain, binding terms and conditions upon which the Town and Applicant agree as respects the discrete subject matters addressed herein. By Applicant's performance of its obligations set forth herein, Applicant shall be authorized to connect to the Town's sewer system pursuant to §13-1-280 of the Code.

2. **No Other Vested Right.** No vested right or entitlement of any kind whatsoever are being granted or conveyed by the Town to Applicant other than the contractual rights between the parties arising by virtue of this Agreement.

3. **Incorporation.** The Application is incorporated herein. In the event of any inconsistency between any term or condition of this Agreement and the Application, this Agreement and such inconsistent term or condition herein shall in all cases prevail and control.

4. **Term.** Applicant shall have 48 months from the Effective Date of this Agreement to: (a) obtain approval from Gunnison County (the "**County**") of its Major Impact Land Use Change Application (the "**County Application**") project (the "**County Project**"), as further described in paragraph 5; (b) obtain approval from the State of Colorado Department of Public Health and Environment ("**CDPHE**") of the voluntary cleanup plan further described in paragraph 6.3; and (c) convey the Town Parcels (as defined below). If after the expiration of 48 months, the Town fails to extend this Agreement by resolutions of the Town Council, this Agreement shall terminate and be of no further force and effect, and the parties shall be relieved of their respective obligations hereunder upon such termination.

5. **Subject Property Development.** Applicant shall develop the portion of the Subject Property east of the Slate River (the "**East Parcel**") by filing the County Application and seeking approval of the County Project from the County pursuant to the County's Land Use Resolution. Applicant shall develop the portion of the Subject Property west of the Slate River (the "**West Parcel**") through the Town's annexation process, including Chapter 15 of the Code, subject to the terms contained herein. The West Parcel and the East Parcel are legally described on **Exhibit A**. This boundary line between the West Parcel and the East Parcel generally corresponds to the western boundary of the wetlands along the west bank of the Slate River as it flows through the Property, as such wetlands have been delineated by the United States Army Corps of Engineers. The Town's municipal boundary, following annexation of the West Parcel, shall be extended north and east to the boundary between the West Parcel and the East Parcel. Cypress agrees not to erect a gate or fence across Road A at the boundary between the West Parcel and the East Parcel.

5.1 **East Parcel Generally.** The East Parcel shall be developed through the County into a residential neighborhood.

5.2 **West Parcel Generally.** Subject to the terms and conditions contained herein, the majority of the West Parcel shall be conveyed to the Town for use as affordable housing, open space, parks, public and other civic uses. Such potential uses include, without limitation, an emergency services center, preschool, open space, parks, recreational facilities, and affordable housing, at the locations further specified in paragraph 6.4 below. Applicant shall retain a parcel located in the northeast corner of the West Parcel along the Slate River (the “**Applicant Retained Lands**”), as legally described on **Exhibit A**, which shall be developed into no less than six residential lots in connection with the annexation of the West Parcel.

5.3 **Site Plan.** The site plan attached hereto to as **Exhibit B** shows the East Parcel, the West Parcel, “**Road A**,” “**Road B**,” and the general location of the proposed uses on the West Parcel. **Exhibit B** is preliminary in nature; it is not a final site plan or lot layout.

6. **Subject Property Development Specifics.** Development of the Subject Property shall occur in the following order and pursuant to the following terms and conditions:

6.1 Applicant shall file its County Application with the County as soon as practicable after the Effective Date.

6.1.1 At the time the Applicant submits its Preliminary Plan Application to the County, Applicant shall also submit to the Town its plan for connecting the East Parcel to the Town’s sewer system and its plan for constructing Road A on the West Parcel according to *Public Works Criteria for Design and Construction of Earthwork, Sewer and Water* (the “**Town Specifications**”).

6.1.2 Upon County approval of the County Project, Applicant will enter into a standard sewer connection agreement with the Town, which agreement (a) shall be substantially similar to the sewer connection agreements the Town has previously used to extend sewer service beyond its municipal boundaries, and (b) shall not be inconsistent with this Agreement (the “**Sewer Connection Agreement**”).

6.1.3 The traffic study Applicant prepares as part of its County Application will include the proposed uses on both the East Parcel and the West Parcel.

6.1.4 This Agreement and all of the terms hereof shall be contingent and are hereby expressly conditioned upon Applicant obtaining County approval of the County Project on the East Parcel, together with approval for the construction of Road A across the West Parcel, as reflected on **Exhibit B**, which County approval is satisfactory to Applicant in its sole discretion (the “**Requisite Approval**”). In the event Applicant fails to obtain the Requisite Approval, this Agreement shall be null and void and the parties shall have no further obligations to one another.

6.2 If Applicant obtains the Requisite Approval from the County on the East Parcel, the County-approved final plat of the Subject Property shall reflect the West Parcel as a remainder tract. No activities related to the West Parcel, including but not limited to its planning, annexation, zoning, subdivision and development shall delay Applicant’s construction

of road and utility infrastructure (including but not limited to the construction of Road A as reflected on **Exhibit B**) necessary to sell the residential lots approved by the County on the East Parcel; provided that, before Applicant constructs any such road and utility infrastructure across and through the West Parcel to the East Parcel, including Road A, Applicant shall deliver to the Town, and the Town will review, and not unreasonably withhold its approval of, an engineering feasibility study regarding the delivery of wastewater services to the East Parcel, and the parties will enter into the Sewer Connection Agreement. Applicant shall pay the Town's costs and expenses of reviewing and approving the engineering feasibility study delivered to the Town pursuant to this paragraph 6.2, and such costs and expenses the Town incurs in connection with the preparation and execution of the Sewer Connection Agreement.

6.3 If and when Applicant obtains the Requisite Approval from the County on the East Parcel, Applicant shall promptly enter the portions of the Old Town Landfill located within the West Parcel as reflected on **Exhibit B** into the Colorado Voluntary Cleanup Program ("**VCUP**") administered by CDPHE. Applicant shall request approval from CDPHE of a cleanup plan proposed by Applicant that meets CDPHE standards necessary to allow a portion of Town Parcel 2 (as defined below) to be used for a preschool; Town Parcel 3 (as defined below) to be used for the development of affordable housing; and Town Parcel 4 (as defined below) to be used as open space. Applicant's receipt of a no action determination from CDPHE confirming that Applicant has achieved the cleanup standards described above (the "**No Action Determination**") is an express condition precedent to Applicant's obligation to convey the Town Parcels to the Town. In the event Applicant fails to obtain the No Action Determination, this Agreement shall be null and void and the parties' shall have no further obligations to one another.

6.3.1 In connection with the VCUP, Applicant shall obtain and provide to the Town an estimate of the cost of obtaining the No Action Determination based on the cleanup plan proposed by Applicant and approved by CDPHE (the "**Estimated Cleanup Cost**"), which such estimate shall be stamped by a Colorado licensed professional engineer. Applicant shall initiate and complete the approved cleanup with reasonable diligence, provided that in no event shall Applicant be required to spend more than 110% of the Estimated Cleanup Cost in pursuing the No Action Determination. In the event the actual cleanup cost exceeds the Estimated Cleanup Cost by more than 10%, Applicant and the Town shall consult with one another on how the excess costs of the cleanup shall be paid.

6.4 Upon Applicant's receipt of the No Action Determination, Applicant shall be obligated to convey by quitclaim deed, on an "as is where is" basis, made without representations or warranties as to the physical or environmental conditions (the "**Deed of Conveyance**") "**Town Parcel 1**," "**Town Parcel 2**," "**Town Parcel 3**," and "**Town Parcel 4**" (each a "**Town Parcel**"; together collectively, the "**Town Parcels**") on the West Parcel. The Town Parcels are legally described on **Exhibit A**. The Town Parcels are subject to the encumbrances and exceptions set forth on **Exhibit C**. The Deed of Conveyance also will be subject to the terms and conditions of this Agreement, and expressly set forth the restrictions and obligations contained in paragraphs 6.4.4 and 6.4.5 hereof. Other than any conditions, limitations, and restrictions imposed by Gunnison County as part of its approval of the County Project, Applicant agrees not to further encumber the Town Parcels, provided however that in the

event the County imposes an obligation or restriction that precludes the Town's ability to use the Town Parcels for the uses contemplated herein, then the Town shall have the right to terminate this Agreement, and the parties shall be relieved of their respective obligations hereunder upon such termination. Applicant's obligation to convey the Town Parcels shall be subject to the following express conditions precedent:

6.4.1 Following the Requisite Approval from the County, Applicant shall file an annexation petition pursuant to Chapter 15 of the Town Code seeking to annex the West Parcel. The Town shall, as soon as practicable, initiate and process to completion the master planning, annexation, zoning and subdivision processes for the West Parcel consistent with this Agreement. The Town shall consult with Applicant, and Applicant shall cooperate with, the Town's planning, annexation, zoning and subdivision of the West Parcel, including but not limited to providing the Town all engineering, surveys, and other non-privileged materials related to the Subject Property already in Applicant's possession, custody, or control. However, except as otherwise set forth herein, the completion of these processes for the West Parcel shall be the primary responsibility of, and at the sole cost and expense of, the Town, and all costs to Applicant shall be waived.

6.4.1.1 The Applicant Retained Lands shall be subdivided into at least six Town lots and zoned as one of the Town's existing residential zoning designations.

6.4.1.2 Town Parcel 1 shall be zoned "P" Public. Any emergency services center to be located on the Town Parcels shall be located only on Town Parcel 1. The Town shall not develop the pond wetlands located within Town Parcel 1, other than as related to the extension of Road B. No building constructed on Town Parcel 1 shall exceed 30 feet in height.

6.4.1.3 Town Parcel 2 shall be zoned "P" Public and shall be designated for use as a preschool, associated supported uses, and improved parks.

6.4.1.4 Town Parcel 3 shall be zoned "A-O" Agriculture-Open District, "P" Parks, "R2A" Residential, and/or "R4" Residential/Multi Family; provided, however, that if Town Parcel 3 is zoned "R2A" or "R4," Town Parcel 3 shall only be used for the development of affordable housing.

6.4.1.5 Town Parcel 4 shall be zoned "A-O," "P," "R2A" and/or "R4"; provided, however, that: (a) Town Parcel 4 shall only be used as open space and/or parks until the earlier to occur of (i) the sale and closing of all of the residential lots on the East Parcel and the Applicant Retained Lands, (ii) 10 years from the Effective Date, or (iii) approval by Applicant or its successor in interest (the "**Land Conservation Covenant**"); (b) after the expiration of the Land Conservation Covenant, if any portion of Town Parcel 4 is zoned "P", such portion shall only be used for open use recreational facilities, parks, or playfields, libraries or museums, art centers, schools, essential governmental uses (but not public utility facilities), a bus stop, and parking ancillary to the foregoing uses; and (c) if any portion of Town Parcel 4 is zoned "R2A" and/or "R4," such portion shall be no larger than Town Parcel 3, shall be adjacent

to and located immediately north of Town Parcel 3, shall be no wider from north to south than Town Parcel 3, and shall only be used for the development of affordable housing.

6.4.1.6 Within two years of annexation, Applicant will construct a river trail along with west bank of the Slate River through the West Parcel as shown on **Exhibit B** (the “**River Trail**”) in order to provide potential connectivity to the existing Rec Path south and east of the Subject Property. Concurrently, with the construction of the River Trail, Applicant will move the sewer outfall to the south and construct fencing between the River Trail and the Town’s Public Works Yard. Applicant shall choose the design, style, and material for such fencing, but Applicant shall consult with the Town to ensure that the final design, style, and materials selected for this fencing are reasonably sufficient to create a distinct barrier between the River Trail and the Public Works Yard that is no less secure than a chain link fence six feet in height. In addition, in order to provide boater access to the Slate River from its west bank, immediately south of the Road A bridge (the “**Boat Launch**”), and on the Slate River as it flows through the Property, Applicant and the Town shall enter into a boater access easement agreement concurrently with the conveyance of the Town Parcels memorializing such access in perpetuity. This easement agreement will address the terms and conditions for boater access to the Slate River as it flows through the Property as well as associated uses of the Boat Launch, including but not necessarily limited to, other permissible recreational uses of the Boat Launch and vehicular access to and from the Boat Launch. Finally, Applicant reserves the right, in its sole discretion, and at its sole expense, to install odor controls on the wastewater treatment plant, as contemplated by the Public Works Facility Master Plan prepared by JVA, Incorporated.

6.4.1.7 The annexation and development of the West Parcel is unique and is unlikely to fit neatly into each and every one of the more formulaic requirements of the Town’s annexation and subdivision provisions. The Town Code affords the Town Council the flexibility necessary to annex and develop the West Parcel consistent with this Agreement and in the best interest of the Town’s citizens. *See, e.g.*, § 15-1-60(a)(10) & (b)(2)(d); § 15-1-70(a)(3) & (b)(1); § 15-1-80(b)(7) & (b)(14).

6.4.1.8 Prior to the conveyance of the Town Parcels, the Town shall release Applicant, its partners, affiliates, lenders, agents, employees, and all predecessor owners of the Town Parcels in connection with the transfer of the Town Parcels, including all portions of the Old Town Landfill located on Town Parcel 2, Town Parcel 3 and Town Parcel 4, that shall include a release of all claims and covenant not to sue with respect to any site conditions and or any responsibilities or liabilities, including without limitations any environmental liabilities related to the Town Parcels. The Town shall record against Town Parcel 2, Town Parcel 3, and Town Parcel 4 notice, confirmation and a release and covenant not to sue Applicant, its partners, affiliates, lenders, agents, employees, and all predecessor owners of the Town Parcels, which shall be a condition of any transfer to any future purchaser, and to which any future purchaser of any portion of such Town Parcels must agree.

6.4.2 The Town Parcels shall be conveyed by Applicant to the Town once Applicant has obtained the No Further Action determination from CDPHE and the Town Parcels have been legally subdivided, approved, annexed, and zoned.

6.4.3 Town Parcel 1, Town Parcel 2 and Town Parcel 3 shall be conveyed to the Town without any financial consideration. Town Parcel 4 shall be conveyed to the Town in exchange for \$350,000.00, which amount is a portion of the anticipated cost of obtaining the No Action Determination.

6.4.4 The Deed of Conveyance shall require the Town to refrain from any uses of the Town Parcels affected by the Old Town Landfill that may disturb any cap associated with the approved cleanup, and any other controls and conditions contained in the No Action Determination. The Deed of Conveyance shall also include: (a) the right of Applicant to enforce, through injunctive relief, the terms of this Agreement and the controls and conditions contained in the No Action Determination; and (b) the obligation of the Town to obtain Applicant's consent to any amendment or modification to the terms of this Agreement and the controls and conditions contained in the No Action Determination.

6.4.5 The Deed of Conveyance shall include the Land Conservation Covenant. The final Land Conservation Covenant shall be reasonably acceptable to the Town and consistent with this Agreement.

6.4.6 In the event that the Town desires to use Town Parcel 4 for any of the uses described in paragraph 6.4.1.5(b) or (c) above after the expiration of the Land Conservation Covenant, it shall be the Town's sole responsibility to undertake whatever other remediation of the applicable portion of the Old Town Landfill is required by CDPHE to modify the No Action Determination as needed to allow for the Town's proposed uses of Town Parcel 4, provided however, that in the event the Town uses a portion of Town Parcel 4 for affordable housing consistent with 6.4.1.5(c) above, it must, at a minimum, meet the same cleanup standards Applicant was required to meet for the cleanup of Town Parcel 3.

6.4.7 Applicant represents and warrants that it has provided to the Town all record and off record information within its possession regarding the Town Parcels, including, without limitation, any and all environmental reports, tests and studies thereof.

6.4.8 The maximum floor area of all buildings on a lot on the East Parcel shall not exceed 5,750 square feet in the aggregate. The main residence shall not exceed 5,000 square feet, and the sum total of all detached accessory buildings shall not exceed 750 square feet.

6.4.9 The Town shall cooperate with Applicant to ensure appropriate buffering between development of the East Parcel and the Applicant Retained Lands, on the one hand, and the Town Parcels and any Town properties, on the other hand. Development of the Town Parcels shall not compete with Applicant's residential development on the East Parcel and the Applicant Retained Lands. The Town shall reasonably permit the installation of buffers and other mitigation measures at Applicant's expense on Town property around the Town Public Works Yard as contemplated in the Town Public Works facility master plan, or as otherwise agreed to by the parties.

6.4.10 Applicant shall observe a 50-foot building set back from all high quality wetlands on the East Parcel. Lot boundaries on the East Parcel may extend to within 25 feet of a high quality wetland boundary. Lot boundaries on the East Parcel adjacent to low quality wetlands may extend to the low quality wetland boundary, provided that any such lot would have a building setback of 25 feet.

6.4.11 Applicant shall be responsible for the construction of Road A and Road B on the West Parcel, and all of the roads on the East Parcel at its sole cost expense. Road A and Road B on the West Parcel shall be constructed in accordance with the Town Specifications. Road A and Road B on the West Parcel shall be dedicated to the Town and maintained by the Town following acceptance thereof, subject to a two-year warranty by Applicant. The Town shall convey adequate right-of-ways for the benefit of Applicant and its successors and assigns for Road A and Road B on and through the West Parcel. All roads on the West Parcel shall be public. All roads on the East Parcel shall be private.

6.4.12 The right of way for the extension of Eighth Street north from Butte Avenue to Road A would cross Town Property (where the Town Public Works Yard is currently located) and the Subject Property. It is possible that there are portions of the Old Town Landfill within this right of way, on the Town's property, on Applicant's property, or both. If portions of the Old Town Landfill are located within the Eighth Street right of way on the Town's property, then the Town may elect to undertake whatever remediation is required by CDPHE to allow for the construction of Eighth Street through the Town's property to the Subject Property. If the Town elects to perform such remediation, or if there are not portions of the Old Town Landfill located on the Town property within the Eighth Street right of way, then in the event there are portions of the Old Town Landfill located within the Eighth Street right of way on Applicant's property, Applicant shall be responsible for undertaking whatever remediation is required by CDPHE to allow for the construction of Eighth Street through the Subject Property to the intersection between Eighth Street and Road A. Once the Town and Applicant have obtained any necessary approvals from CDPHE allowing for the construction of Eighth Street through their respective properties, or if CDPHE approval is not required, then, and only then, will Applicant be responsible for the performance of the construction of Eighth Street and associated utility infrastructure work. However, Applicant can, in its sole discretion, choose to perform all of the necessary cleanup of landfill materials itself, on both the Subject Property and Town property, but in order to perform any cleanup of landfill materials on the Town property, Applicant will be required to enter into an indemnification agreement that is satisfactory to the Town. If Applicant performs the construction of Eighth Street and associated utility infrastructure work pursuant to this paragraph 6.4.12, then such construction and associated utility infrastructure work shall be performed at Applicant's cost and expense. The Town shall provide access to Town property as necessary for all purposes related to the construction of Eighth Street and associated utility infrastructure. The Town shall provide Applicant with a release of all claims and covenant not to sue with respect to any site conditions and any responsibilities or liabilities, including without limitation any environmental liabilities, related to the Eighth Street construction and any associated utility infrastructure work. Until the Town and Applicant are able to achieve the construction of Eighth Street and associated utility infrastructure, the Town shall grant an easement for non-motorized pedestrian access to the Subject Property from Butte Avenue across Town property to the north (where the Town Public

Works Yard is currently located) for the benefit of the Subject Property, and allow Applicant to construct a trail at Applicant's expense, and at a location and pursuant to terms approved by the Town, in order to accommodate said easement.

6.4.13 Applicant shall be responsible for the installation of all utility infrastructure necessary to connect the residential lots on the East Parcel to the Town's sewer system pursuant to and in accordance with the terms and conditions of the Sewer Connection Agreement. All wastewater infrastructure shall be constructed in accordance with the Town Specifications, dedicated to the Town, and maintained by the Town following acceptance thereof, subject to a two-year warranty by Applicant.

6.4.14 Applicant shall be responsible for the installation of all utility infrastructure necessary to connect the Town's water and wastewater systems from the Town Parcels to the residential lots on the Applicant Retained Lands pursuant to and in accordance with the terms and conditions of a standard development improvements agreement to be executed upon the annexation of the West Parcel pursuant to paragraph 6.4.1 above that is (a) substantially similar to the development improvement agreements the Town has previously used, and (b) not inconsistent with this Agreement. Such infrastructure shall be constructed in accordance with the Town Specifications, dedicated to the Town, and maintained by the Town following acceptance thereof, subject to a two-year warranty by Applicant.

6.4.15 On the written the request of the Town, Applicant shall permit and shall not unreasonably condition or delay an adjacent property owner's request to connect to the Town's sewer system through the East Parcel and the Applicant Retained lands; provided that any such connection shall not result in an increase in cost or expense to Applicant, but rather shall be borne by such adjacent property owner benefiting from such connection, with the terms and conditions and easements necessary for such future connections to be negotiated between Applicant and such third parties. Such terms and conditions shall include compliance with all applicable Town requirements, including, without limitation, §13-1-280 of the Code and the Town Specifications.

6.4.16 Applicant shall be responsible to pay availability fees in accordance with Section 13-1-160 of the Code (the "**Availability Fees**"). Applicant shall pay all Availability Fees for the East Parcel and Applicant Retained Lands upon the Town's acceptance of all wastewater infrastructure.

6.4.17 Pursuant to Section 13-1-280 of the Code, tap fees for residential lots on the East Parcel will be one and one half times (1.5x) per EQR of the in-Town rate (the "**Tap Fees**") as of the Effective Date.

6.4.18 Pursuant to Section 13-1-280 of the Code, monthly service fees for residential lots on the East Parcel will be two times (2x) per EQR of the in-Town rate (the "**Service Fees**") as of the Effective Date.

6.4.19 Applicant acknowledges that at all times, all road and related infrastructure maintenance and snow plowing on the East Parcel shall be the sole responsibility of Applicant at its cost and expense. Applicant shall provide, however, easements and associated

access for maintenance of all sewer infrastructure on the East Parcel which shall be performed in accordance with the Code. Applicant shall be responsible for all other road and utility infrastructure maintenance and snow plowing on the West Parcel, at its sole cost and expense, until the completion, acceptance, and dedication of such infrastructure.

7. **No Interference with Gunnison County's Jurisdiction.** For purposes of clarity, final approval of the subdivision and development of the East Parcel rests with Gunnison County, Colorado. The parties do not intend, and are not, by entering into this Agreement seeking to usurp or interfere in any way with the County's jurisdiction over the subdivision and development of the East Parcel, the County Land Use Resolution, or the County's land use change process. Provided that Applicant complies with the terms and conditions of this Agreement, the Town shall not impose any further obligations on Applicant's subdivision and development of the East Parcel with the County, nor shall it object to the County's approval of the County Project at any phase thereof, nor shall it advocate for additional restrictions on the East Parcel; provided that the County Application is, and remains, consistent with the terms and conditions of this Agreement.

8. **Compliance with Law.** When fulfilling its obligations under this Agreement, Applicant shall comply with all relevant laws, ordinances and regulations in effect as of the Effective Date. In addition, Applicant shall be subject to all laws, ordinances and regulations of general applicability that become effective after the Effective Date.

9. **No Waiver.** Applicant acknowledges and agrees that the Town is relying upon, and does not waive or intend to waive by any provision of this Agreement, the monetary limitations (currently \$350,000.00 per person and \$990,000.00 per occurrence) or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, § 24-10-101, et seq., C.R.S., as from time to time amended, or otherwise available to the parties, their officers, or their employees.

10. **TABOR; Colorado Constitution, Article X, Section 20.** Notwithstanding any other provision in this Agreement to the contrary, the parties understand and acknowledge that the Town is subject to Article X, § 20 of the Colorado Constitution ("**TABOR**"). (a) The parties do not intend to violate the terms and requirements of TABOR by the execution of this Agreement. (b) It is understood and agreed that this Agreement does not create a multi-fiscal year direct or indirect debt or obligation within the meaning of TABOR and, therefore, notwithstanding anything in this Agreement to the contrary, all payment obligations of the Town are expressly dependent and conditioned upon the continuing availability of funds beyond the term of the parties' current fiscal period ending upon the next succeeding December 31. (c) Financial obligations of the Town payable after the current fiscal year are contingent upon funds for that purpose being appropriated, budgeted and otherwise made available in accordance with ordinances and resolutions of the Town and other applicable law. (d) Nothing contained in this Agreement shall constitute a pledge of the full faith and credit of the general tax revenues, funds or moneys of the Town except the amount appropriated for the purpose of making payments hereunder during the current fiscal year. (e) The Town's obligation to pay \$350,000 to Applicant in exchange for the conveyance of Town Parcel 4 is subject to annual renewal and such obligation to pay shall be terminated upon the occurrence of an event of non-appropriation

and, in such event, (i) The Town shall not be obligated to pay \$350,000 for the conveyance of Town Parcel 4, and (ii) Applicant shall not be obligated to convey Town Parcel 4.

11. **Cooperation; Other Documentation; Instruments.** The parties shall reasonably cooperate with each other in order effect the transactions contemplated in this Agreement. The parties shall give, enter into, execute and approve such additional agreements, corporate approvals and instruments as are necessary and appropriate to effect such transactions.

12. **Assignment; Assumption.** This Agreement and the rights and obligations contained herein may be assigned or transferred by Applicant only upon written consent approved by resolutions of the Town Council, which such consent shall not be unreasonably withheld, provided however that the right of approval belonging to Applicant in paragraph 6.4.5(c) shall be freely assignable and transferrable to the homeowners association for the residential lots to be developed on the East Parcel. Any transfer or assignment without the necessary written consent shall be void *ab initio*. Upon any proper assignment or transfer hereunder, the assignee or transferee shall assume all the rights and obligations of Applicant hereunder.

13. **Termination.** Each party reserves the right to terminate this Agreement if the other party breaches any term or condition hereof, and, after receipt of written notice thereof from the non-breaching party, fails to cure such breach within 30 days of receipt of such notice; except that where such breach is not susceptible to timely cure despite reasonable efforts by the breaching party, the breaching party shall have such additional time as is reasonably necessary to effect a cure where such cure is being diligently pursued. In addition to termination of this Agreement, the non-breaching party may pursue all rights and remedies at law and in equity against the breaching party, including, without limitation, specific performance and actions for damages. Neither party shall be liable to the other for any incidental, special, or consequential damages.

14. **Authority.** The person executing this Agreement on behalf of Applicant does hereby covenant and warrant that as to Applicant, such person is duly authorized and has full right and authority to enter into this Agreement and that the person signing on behalf of Applicant is authorized to do so.

15. **Waiver of Defects.** In executing this Agreement, the parties waive all objections they may have over defects, if any, in the form of this Agreement, the formalities for execution, concerning the power of the Town to impose the conditions on Applicant as set forth herein, or over the procedure, substance or form of the resolutions adopting this Agreement.

16. **Entire Agreement.** This Agreement supersedes and controls all prior written and oral agreements and representations of the parties with respect to the subject matters addressed herein and represents the total integrated agreement between the parties with respect to such subject matters.

17. **Modification.** This Agreement shall not be amended or modified, except by subsequent written agreement of the parties approved by resolutions of the Town Council.

18. **No Waiver.** A waiver of any right or remedy on any one occasion shall not be construed as a bar to or waiver of any such right or remedy on any other occasion.

19. **General Release.** It is expressly understood that the Town cannot be legally bound by the representations of any of its elected officials, officers, employees, agents, representatives and attorneys or their designees, except in accordance with Town ordinances, the Code and the laws of the State of Colorado, and that Applicant, when dealing with the Town, acts at its own risk as to any representation or undertaking by the Town, its elected officials, officers, employees, agents, representatives, and attorneys or their designees, which is subsequently held unlawful by a court of law; provided, however, this paragraph shall not be construed to limit the rights and remedies of the parties otherwise provided by law, including under equitable doctrines such as estoppel.

20. **Notices.** Any notice or other information required by this Agreement to be sent to a party shall be sent by facsimile, e-mail, overnight courier or certified mail to the following:
