

Stage 1 Fire Restrictions for unincorporated areas of Gunnison County
Per County Resolution 2013-____
Effective 06.24.13 Until Further Notice

FIRE RESTRICTIONS IN EFFECT IN GUNNISON COUNTY - \$500.00 FINE

The following is **PROHIBITED** in unincorporated Gunnison County:

- Open charcoal or wood fires, the burning of trash or debris and agricultural burning. Trash may not be burned under any circumstances, even in barrels.
- Building or maintaining a campfire outside of developed and designated campgrounds or recreation sites
- Smoking cigarettes, cigars etc outside in an area that has not been cleared of flammable material for at least three feet in diameter
- The use of any type of fireworks or explosives

The following is **PERMITTED**:

- Cooking on manufactured charcoal, liquid fuel and propane grills
- Campfires with flame length not exceeding two feet in height in prefabricated concrete or metal fire enclosures in developed and designated campgrounds and recreation sites
- On private property, campfires with flame length not exceeding two feet in height in prefabricated concrete or metal fire enclosures

As provided by Colorado Statutes and County Ordinances, persons responsible for starting a wildfire can face criminal and civil charges.
