10	Description of Work or Repair
----	-------------------------------

The solid Fuel Burning Device Installation Permit shall become null and void if construction is not commenced within 120 days of the date of issuance. The Solid Fuel Burning Device Installation Permit shall expire one year after the date of issuance and all construction must be completed prior to the expiration of the permit.

*I hereby certify that I have read and examined this application and set of instructions and that all information in this application is true and correct. All provisions of the currently adopted Uniform Building Code, the Uniform Mechanical Code, will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel provisions of any other state or local law regulating construction or the performance of construction. Further, I understand that the violation of any of the provisions previously set fourth shall be deemed a misdemeanor and upon conviction of any such violation I shall be punishable by a fine of not more than \$300, or, by imprisonment for not more than 90 days, or, by such fine and imprisonment for each and every day that violation is committed, continued or permitted.*
