Wastewater Division informed of sewer tap/connection on (date): _____

Water Division informed of water tap/connection on (date): _____

Final connection of water and sewer taps to be coordinated with respective Division manager by the permittee during construction.

This Excavation Permit shall become null and void if construction is not commenced within 60 days of the date of issuance. The Excavation Permit shall expire on the 1st of October after the date of issuance and all construction must be completed prior to the expiration of the permit. Deposits will not be carried over into the next calendar year. Any deposits not requested by year end will be forfeited.

I hereby certify that I have read and examined this application and set of instructions and that all information in this application is true and correct. All provisions of the Town of Crested Butte Public Works criteria for design and construction will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel provisions of any other state or local law regulating construction or the performance of construction. Further, I understand that the violation of any of the provisions previously set forth shall be deemed a misdemeanor and upon conviction of any such violation I shall be punishable by a fine of not more than $1000, or, by imprisonment for not more than 90 days, or, by such fine and imprisonment for each and every day that violation is committed, continued or permitted.
